Please Note:

Uptown Hire is an asset hire company, we provide infrastructure and assets to a number of wedding styling companies in the Far North. We do not however set or style these assets as part of the service we provide. Careful consideration should be given in your event planning to who will be setting up and packing up these assets on your special day. All breakages and damaged caused from misuse are subject additional charges for replacement or repair.

Should you need a complete event service including setting, styling and staffing / management please contact Jade from Port Douglas Weddings & Hire.
